Canon City Trip Behavior Agreement & Insurance Info

Our trip May 6-7 to Canon City should be a lot of fun and rewarding musically and personally. Besides the rules listed in the FHS student-handbook, students are expected to abide by the following:

- No girls in boy's rooms or boys in girl's rooms at any time (this includes siblings)
- You must be in your room at the time posted on the schedule. You are not allowed to ever leave the hotel except when we leave as a group. Common areas are okay (pool, restaurant, etc.) until the time on the schedule when you must be in your room.
- Adhere to the lights out time. Rest is important for us to perform at our best.
- If one person in a room does something he/she is not supposed to do – and nobody else from the room reports it – **all** the people in the room will face the consequences. If someone in your group is acting stupid, please let me or one of the parent education leaders know immediately. A true friend wants his/her friend to be at his/her best, even if it means reporting them.
- If you don't follow the rules, you will be sent home at your parents' expense and will face other disciplinary action.
- There will be certain times when cell phones will not be allowed. If out during that time, it will be confiscated for the day.
- When signing up for the trip, a permission slip was already signed. This one is solely for behavior and insurance info.

I agree to the above rules and understand the student may be sent home immediately if these rules are not followed.
